# CLOUD

SOFTER THAN ANY OTHER ...

Cloud B is not a modular sofa but by moving its pieces it offers a few transformations adjustable to any space.

Includes one tree - seater, two back supports, three regular pillows and two armrest pillows. Variations of a sleeping bed and different sitting positions are easily done.

Constructed with a beech wood frame, high - density polyurethane foam and a double silicone blanket this sofa stands out by being softer than any other, designed to inspire tranquillity and comfort.
